September 30, 2021

Good Day,

[I] am writing this letter in great concern. The RCMP union says it supports a Mountie's 'right' to refuse vaccination. We have 20 days from today to [in]stitute our De Jure Governance over Kanata. It is necessary to have a security force to protect our Native Peoples from the Criminality of the Corporation rules of Canada/CANADA.

Do you, officers who have sworn to uphold the Laws and regulations of international law and to protect the de jure Sovereign Government, the true title holders of the lands of Kanata, commit to coming to our [a]ssistance?

Peoples of the Salmon have [in]formed you with documentation [Writ of Mandamus], that corporations have been [un]justly enriched on the backs of Citizens, Children and the Allies to Her Majesty Queen Elizabeth the Second of Great Britain. We need this Writ enforced. Again, changes will not be made to the financial security of our forces and military. It is about time we change from a corporation acting like a government to our de jure structure which includes a Matriarchal Presence.

Notice to agent notice to principal; notice to principal is notice to agent

Accepted for value and returned for full value upon proof of claim that the vaccine is a real vaccine.

Thank you,

Tribal Teachings From the Musa (Meredith M. Quinn)
Presented by: Lester Howse (Wapo Piesew)
Winnipeg, Manitoba, 2006

for

No where in the pages of history can there be equaled in total, the injustices done to man, when one realizes the injustices done to the INDIAN of this hemisphere. Never has a civilization contributed so much to the comfort of another, such as, the INDIAN did in providing: - a government system, a defensive method, a new freedom, his foods and 95% of his medicines. All that the INDIAN asked was to be left alone and not have their culture disturbed nor their lands destroyed. In turn the INDIAN PEOPLES became a nation without a country: unprotected from exploitation, they became the most suppressed, the hungriest and the sickest. Never has so much land been stolen under a flag of progress and millions upon millions of lives murdered from the table of peace, that not even the great Genghis Kahn, the Pharoahs, Caesars, Natchi or Hitler - totaling their murders, could equal the number of deaths among INDIANS. (estimated by white scholars to number 120 MILLION.)

In the beginning, white men in government agencies converted certain Indians (uncle tomahawks, soup-bone Indians, hang around the fort Indians, Indian Scouts for the US and Canadian military, Indian policemen and the AUTONOMOUS SELL-OUT CHIEF & COUNCIL GOVERNMENTS, etc.) Today we still see them converting Indians, working in these same government agencies. In addition, by allowing the police and military to recruit our young INDIAN men and women into their forces, they knowingly-treasonously have our children give up their allegiance to the INDIAN and give it to the crown.

ACTS CLASSIFIED AS TREASON

1. Rebellion or Insurrection against INDIAN NATIONS.
2. Seditious conspiracy against INDIAN NATIONS.
3. Advocating the overthrow of INDIAN GOVERNMENTS.
4. Registration of certain organizations.
5. Activities affecting Police Forces generally.
6. Activities affecting Police Forces during wars.
7. Recruiting for services against INDIAN NATIONS.
8. Enlistment of services against INDIAN NATIONS.
9. Giving aid and comfort to Indians and non-Indians committing these crimes.

How will THESE sell out Indians answer THE CREATOR, when asked, 'DID YOU LIVE THE LIFE AND LIE OF THE WHITEMAN?'

We have also learned that the terms 'first nation', 'native', 'aboriginal', 'metis' etc., are legal terms that place, those who identify themselves as such, UNDER the 'assumed jurisdiction of the crown,' therefore their classification would fall under 'PRISONERS OF WAR.' or 'INHABITANTS.'

The PURPOSE for this additional information is:

to re-educate the world as to the true legal identity of Signatory Tribal People, specifically the Signatory Indian Tribes of North and South America and their descendants. [eg:] Indian Tribes of the Western Hemisphere, fed the starving world of Europe and parts of Africa, by fulfilling their responsibility according to the stipulations of a treaty signed before the sanctioning of the Columbus Commission in 1492. This treaty is known as the Treaty of the Camels Eye, The

28.

Eye of Isis and The Eagle Bowl Treaty, and it was signed July 2nd 408 A.D. upon the surrender of the Roman Empire. STILL LAW TODAY, no treaty can be changed without the consensus of all who were originally involved, or their descendants.

The Foundation Of International Law

There are six aboriginal treaties that are the foundation for all international law, hence from them comes the Law of Nations which has Clanmothers who hold Territorial Right, also referred to as Cession Jurisdiction. In all International Law including today, Clanmothers hold Title to the Territory of a Nation, both White or Indian.

The Six original Treaty

- *Wampum Belts

- *Canes of Authority

- *Peace Pipe Treaties

[These treaties cover all Indian Tribes of North and South America]

- *The Seal of Solomon Treaty

[Covers all Blacks, Arabs and Israelites]

- *The Paladium of Troy Treaty

[Covers Asia and Minor Asia]

- *Noah's Ark Treaty [Covers all Anglia, Saxon, Mercia and Northumbrian Groups or The White Tribes of Europe]

The Law of the Signatory Tribes supercedes the domestic law of the white governments both here in what is called Canada and the United States. The United States of America are ruled by Corpus Juris Secundum or Second Law of the Land.. Canada is a Defacto type government or Corporation and is registered on the stock markets of the world as such. Canada goes by Crown Law which is the law of the Crown of England, but remember at the time Rome surrendered it's power in 408 A.D., England was given the responsibility of fulfilling the articles of the Camel's Eye Treaty, because England was the second Rome. The ROMAN EMPIRE included the Crown of England, France and Spain. To this day, should you follow the bloodlines of the ROYAL FAMILIES, you will find them to be the descendants of the OLD ROMAN EMPIRE or the ROMAKOS who are the descendants of GREEK ROYALTY.

The RULE OF LAW binding these treaties is followed letter perfect today, and should a SIGNATORY TRIBAL GOVERNMENT be re-established, as it was in 1996, (see THE EXACT PEOPLE OF THE ROCKY MOUNTAINS) it would protect itself by asserting jurisdiction to stop any type of government from imposing it's laws and jurisdiction over the Tribal Members.

Federal Destrict Court Judge Warren Urbom, in the case, United States –V- Consolidated Wounded Knee Cases, {Supra. 1975}, gave the exact construction of a Tribal Government, when he stated to 65 Sioux Indians trying to prove Sovereignty, “ this court cannot supply a Casus Omissus in a Treaty any more than in a Law”. Interpreted, he is saying, Clanmothers are the Law. This judge was acknowledging the power of the Clanmother over any Nation.

TRIBAL GOVERNMENT [SOVEREIGNTY]

Judge Urborn in the case, United States -v- Consolidated Wounded Knee Cases supra. gave the exact construction of a Tribal Government, which made the members Signatory Indians and members making up the Tribe.

When the Beda [Bede] Scholars of England rewrote and retranslated the Christian Bible in the 1500's from the old version of 451 A.D., they purposely omitted one complete book and the name of this book can be found in the new Bible-Numbers 21:14. The Monarchy of any Tribal Government are called: Angels; Daughters of the Great Spirit or Pure Light. To be a member of a Signatory Tribe, you must belong to a clan that is ruled by a Clanmother who appoints Chiefs to speak on behalf of her clan. The entire Tribe ruled by Clanmothers, Angels, Pure Light, or Daughters of the Great Spirit, become the Title Owners of the Sovereign Territories. The exception to this are the 5,6, and 7 Nations that were Indian Tribes created by George Washington who signed Treaties with them trying to replace the power of the Clanmothers of the Iroquois Confederacy. The original Iroquois Confederacy was 52 Nations. [People for the State of New York -v- Boots; Co, Ct. N. Y.]

"It is of little consequence to me on who you are because everyone here is a descendant from a Tribe that make up the Six Aboriginal Treaties that are the Foundation of all International Law." [Meredith Quinn--- International Legal Advisor, of the Dakota Empire, registered with the United Nations.]

According to Tribal Custom and Usage, all children born are Signatory and until they reach the age of accountability, where they place their allegiance often makes them Ambiguous Indians with a Quasi-Sovereign position. Ambiguous; Meaning Doubtful if they are Indians. As there is doubt caused by their own admission, they become Quasi-Sovereign. [They may appear so, but are not Sovereign.] Elk-v-Wilkins. Corporate Charters, called Indian Governments, [Band Council elective system], legally defined, are Autonomy Governments which comes from the Greek [Autonomous-Self Rule,] legally means a Self-Governing state, community or group, subject to another Supreme Sovereignty. This type of system has omitted the true Landlord of the Territories, who are the Women of the Clans.

RCMP union says it supports a Mountie's 'right' to refuse vaccination

NPF says it will represent members through 'possible employment consequences'

The RCMP's union says it supports a Mountie's right to choose not to get vaccinated against COVID-19. (Shane Magee/CBC)

The RCMP's union says it supports the "right" of RCMP officers to refuse to get vaccinated and will back up any member who refuses vaccination once the mandatory vaccination policy for the federal public service is in place.

"The [National Police Federation] supports a member's right to choose to be vaccinated or not," says a Sept. 23 email to members, obtained by CBC News.

"We will assist and represent members individually with their choice and its possible employment consequences."

A spokesperson for the union wouldn't say how many members have voiced concerns about vaccination against COVID-19, citing privacy reasons.

Just two days before the August election call, the Liberal government announced that it would make vaccines mandatory for federal employees and those travelling by plane, train or ship.

- [Trudeau warns of 'consequences' for public servants who duck COVID-19 shots](#)
- [Federal government to require vaccinations for all federal public servants, air and train passengers](#)

"We're unequivocal that civil servants must be vaccinated. If anyone doesn't have a legitimate medical reason for not getting fully vaccinated — or chooses to not get vaccinated — there will be consequences," Prime Minister Justin Trudeau said during the campaign.

The Liberals said the policy could come in as soon as October. Today, the re-elected Trudeau indicated things are moving ahead.

"First off, we're going to ensure that the federal public service is vaccinated. There is a clear requirement of vaccination for anyone who works for the federal government," he said during his first full news conference since last week's election.

"Second, we're going to make sure, in the coming weeks, that anyone 12 or older who wants to get on a plane or a train be fully vaccinated."

It remains unclear how those "consequences" would affect the RCMP's rank and file officers, or whether they could lead to officer shortages in an already stressed police service.

Details still being sorted out

National RCMP headquarters referred all questions to the Treasury Board Secretariat, which said it is still working with stakeholders, including unions, on the finer details of the vaccination policy.

"Details will be communicated in the days and weeks to come," said Geneviève Sicard in an email to CBC News.

The NPF email goes on to advise members that the union sought legal counsel on the RCMP's rationale for collecting employees' vaccination status. The email said the legal opinion concluded the RCMP's reasoning is sound, in part, for "duties of public safety" reasons.

- [RCMP mishandled teen's sexual assault claim, says watchdog in new Mountie misconduct reports](#)

The union advised members to disclose their vaccination status only to the RCMP's health services wing and not to a supervisor or manager.

The Toronto Police Service, Canada's largest municipal police, told all of its uniformed and civilian members to provide proof of their COVID-19 vaccination status by Sept. 13 — a move its union has said it does not support.

According to the [Toronto Star](#), the Toronto Police Association has negotiated a commitment from TPS that officers will not be disciplined and will not be transferred if they didn't disclose their vaccination status by that deadline.

"We continue to strongly encourage all personnel to be vaccinated unless they have a valid medical reason to not be fully vaccinated," the Ontario Association of Chiefs of Police advocacy group said in a statement last month.
