## Peoples of the Salmon (Pots) de Jure Governance Meeting

### Sunday Wolverine Ceremony

Peoples of the Salmon, as Original Peoples of these lands, have brought the Wolverine Tribe back as a way to be inclusive of all who are not originals of these lands. Through adoption into our Tribe, we can all walk on these lands sharing the abundance gifted by Creator.

After attending four Sunday meetings, you can be part of a ceremony where you walk off the Ship of Commerce leaving the world of corporation and legal fiction behind.

On the last meeting of each month, our Wolverine Tribe Hemas, Hemajolas leads adoption through our traditional sacred ceremony. You may be physically present or connected via video conference.

**Sovran Wolverines step into a new world future living by Natural Law.**

There are responsibilities to being a Sovran soul and benefits, protection, and guidance of being adopted into the Wolverine Tribe within Peoples of the Salmon, the Original Peoples of Kanat'an. We welcome you to walk with us in harmony with all our Mothers' Mother Creations, together, sharing our light, love, peace, with our sisters and brothers, on the Creators path of kindness, becoming living flesh blood and bone.

Hemajolas is Wolverine Tribe headsman

Popois is Peoples of the Salmon headsman

Maathlaatlaa is our baba'o (grandfather)

Our Tribunal consists of ten Original Peoples of Kanat'an
