### Sacred Wolverine Adoption Ceremony!

On the last Sunday Meeting of each month, our Wolverine Clan Hemas, Hemajolas, may adopt you through our traditional sacred ceremony. You may be physically present or connected via video conference. Please be respectful of our longhouse protocols.

Sovran Wolverines are choosing to step into a new world future within Natural Law.

Transparency demands that you recognize your new responsibilities as well as the benefits, protection, and guidance, upon adoption into our Wolverine Clan within Peoples of the Salmon, the Original Peoples of Kanat'an. We welcome you to walk with us in harmony with all our Mothers'

Mother Creations, together, sharing our light, love, peace, with our sisters and brothers, on the Creators path of kindness, becoming living blood flesh and bone.
